6. Discussion of the Company's dividend and reservation policy
(discussion item)

The Company has never paid or declared any cash dividends on its shares, and the Company does not anticipate paying any cash dividends on its shares in the foreseeable future. The Company intends to retain available funds and future earnings to fund the development and expansion of its business. Under Dutch law, the Company may only pay dividends to the extent its shareholders' equity (*eigen vermogen*) exceeds the sum of the Company's paid-up and called-up share capital plus the reserves required to be maintained by Dutch law or by the Company's articles of association (if any). Subject to such restrictions, any future determination to pay dividends will be at the discretion of the Management Board and the Company's supervisory board (the "**Supervisory Board**") and will depend upon a number of factors, including the Company's results of operations, financial condition, future prospects, contractual restrictions, restrictions imposed by applicable law and other factors the Management Board and the Supervisory Board deem relevant. If and when the Company does intend to distribute a dividend, such dividend may be distributed in the form of cash only or shares only, through a combination

of the foregoing (cash and shares) or through a choice dividend (cash or shares), in each case subject to applicable law.

7. Appointment of Mr. Peer M. Schatz as supervisory director of the Company

The Supervisory Board has made a binding nomination to appoint Mr. Peer M. Schatz as a supervisory director of the Company for a period ending at the end of the annual general meeting of shareholders of the Company to be held in 2023.

Contingent upon his appointment as a supervisory director, Mr. Schatz will be appointed as the Vice-chairman of the supervisory board. In addition, Mr. Schatz will be appointed to the Company's audit committee. The Board has determined that Mr. Schatz qualifies as an audit committee financial expert as such term is defined in the rules of the U.S. Securities and Exchange Commission and is judged suitable by the Board for serving as member on the Company's audit committee.

Mr. Schatz (age 54) was a long-time Chief Executive Officer of QIAGEN N.V. (Nasdaq: QGEN; Frankfurt: QIA), a leading provider of molecular sample and assay technologies. From 1993 to 2019, he led QIAGEN's rapid expansion from a start-up company with \$2 million in sales into a global leader in molecular testing with over \$1.6 billion in revenues. Mr. Schatz also served as a founding member of the German Corporate Governance Commission and as a supervisory board member of Evotec AG (Frankfurt: EVT). Mr. Schatz graduated from the University of St. Gallen, Switzerland with a Masters Degree in Finance and from the University of Chicago Graduate School of Business with an MBA. Mr. Schatz holds no shares or rights to subscribe for shares in the Company's capital.

8. Instruction to ENDYMION Accountants B.V. for the external audit of the Company's annual accounts for the financial year ending December 31, 2020 (voting item)

It is proposed to instruct ENDYMION Accountants B.V. ("**ENDYMION**") as the external independent Dutch auditor for the audit of the Company's annual accounts for the financial year ending December 31, 2020. If instructed, ENDYMION shall perform the statutory Dutch audit activities for the Company in relation to the Company's statutory Dutch annual accounts and annual report. It is proposed that this authorization be extended to expire five years following the date of the AGM.

10. Extension of authorization for the Management Board to limit and exclude pre-emption rights (*voting item*)

The Management Board has been authorized, for a period of five years following the IPO, to limit and/or exclude pre-emption rights in relation to an issuance of, or a granting of rights to subscribe for, ordinary shares resolved upon by the Management Board. It is proposed that this authorization be extended to expire five years following the date of the AGM.

11. Extension of authorization for the Management Board to acquire shares and depository receipts for shares in the Company's capital (*voting item*)

The Management Board has been authorized, for a period of 18 months following the IPO, to resolve for the Company to acquire fully paid-up ordinary shares in the Company's capital (and depository receipts for such ordinary shares), by any means, including through derivative products, purchases on a stock exchange, private purchases, block trades, or otherwise, for a price which is higher than nil and does not exceed 110% of the average market price of the Company's ordinary shares on the Nasdaq Stock Market (such average market price being the average of the closing prices on each of the five consecutive trading days preceding the date the acquisition is agreed upon by the Company), up to 20% of the Company's issued share capital (determined as at the close of business on the date of first settlement of the Company's ordinary shares in the IPO). It is proposed that this authorization be renewed for a period of, and effectively extended until, 18 months following the date of the AGM for up to 20% of the Company's issued share capital (determined as at the close of business on the date of the AGM). If the resolution proposed under this agenda item 11 is passed, the proposed authorization shall replace the currently existing authorization.
